Education

● Bachelor of Technology: Computer Science Engineering 2023-2027

at RCC Institute of Information Technology, Kolkata, West Bengal

7.6 CGPA

Active member of the *Technology and Development Club*.

● CISCE Board - Science

89% in CISCE Board Examinations

July 2021 - August 2023
St. Stephen's School, Kolkata

Core Committee member of the Computer Club, and of The Reader's Club.

Soft Skills

- Critical Thinking
- Problem Solving
- Creativity
- Communication
- Resourcefulness

Experience

Indian Institute of Technology, Bombay

Research Assistant

Worked on Computer Vision for the project *Serpenoid robots for unmanned exploration of Moon and Mars* July 2024

Technical Skills

- Python web frameworks: Django, Flask
- Python web scraping (Selenium web driver)
- Physical Computing
- Computer Vision
- Linux (Ubuntu, Debian, Kali)
- Electronics and Circuit Design

Languages:

	Proficiency:
 Python	Advanced
 Java	Advanced
 HTML / JS/ CSS	Intermediate
 PHP	Intermediate
 Bash & Batch	Intermediate
 C/C++	Intermediate
 C#	Beginner

Personal Projects

 Human Emotion Detector using *Tensorflow* and *Keras*

 Video Playback Synchronizer: Watch movies/shows together with friends online.

- Real-time online Screen Sharing software

 Infinitely extending Tic Tac Toe game using *p5.js*

 Online chat App (Full stack) with python *asyncio* backend

 Remote Desktop Solution

Other Miscellaneous Projects

- Physics Simulator
- Running Processes Explorer
- Coding Assistant for Java
- Image and Video Editing Software

HONORS

2nd Runner Up Insignia 2K24

September 2024

Secured 3rd position in Insignia 2K24, a coding cum aptitude event organized by the Department of Computer Science and Engineering (Data Science) of MCKV Institute of Engineering.

Winner of Physiantrix: Hack-o-Mania

September 2024

Finished 1st in the event Hack-o-Mania held at University of Calcutta out of 50+ skilled participants from various colleges in and around Kolkata.

Winner of RCCIIT Techtrix: Codathon

March 2024

Secured 1st place in the Techtrix: Codathon event at RCCIIT, competing against 100+ participants from colleges across Kolkata and nearby regions.

Winner of RCCIIT Innovision: Codathon

September 2023

Achieved 1st place in the Techtrix: Codathon event at RCCIIT, after competing among over 100 participants from the colleges.

SOFT SKILLS

Critical Thinking • Problem Solving • Adaptibility
Resourcefulness • Creativity • Communication
